

From the hellish fires of the abyss comes the Burned Netherite Armor to destroy your enemies.

Now you can show off to your friends the aesthetics of this armor

**BURNED NETHERITE**

This addon contains 1 set of 3d armor with animated texture, 3 3d tools with

animated textures each (Sword, Axe, Pickaxe) , 1 block 1 item and The sword and axe attack have a custom animation

This addon has 2 variants in textures Alpha and Omega You can use the one you like the most and there are no differences in gameplay.

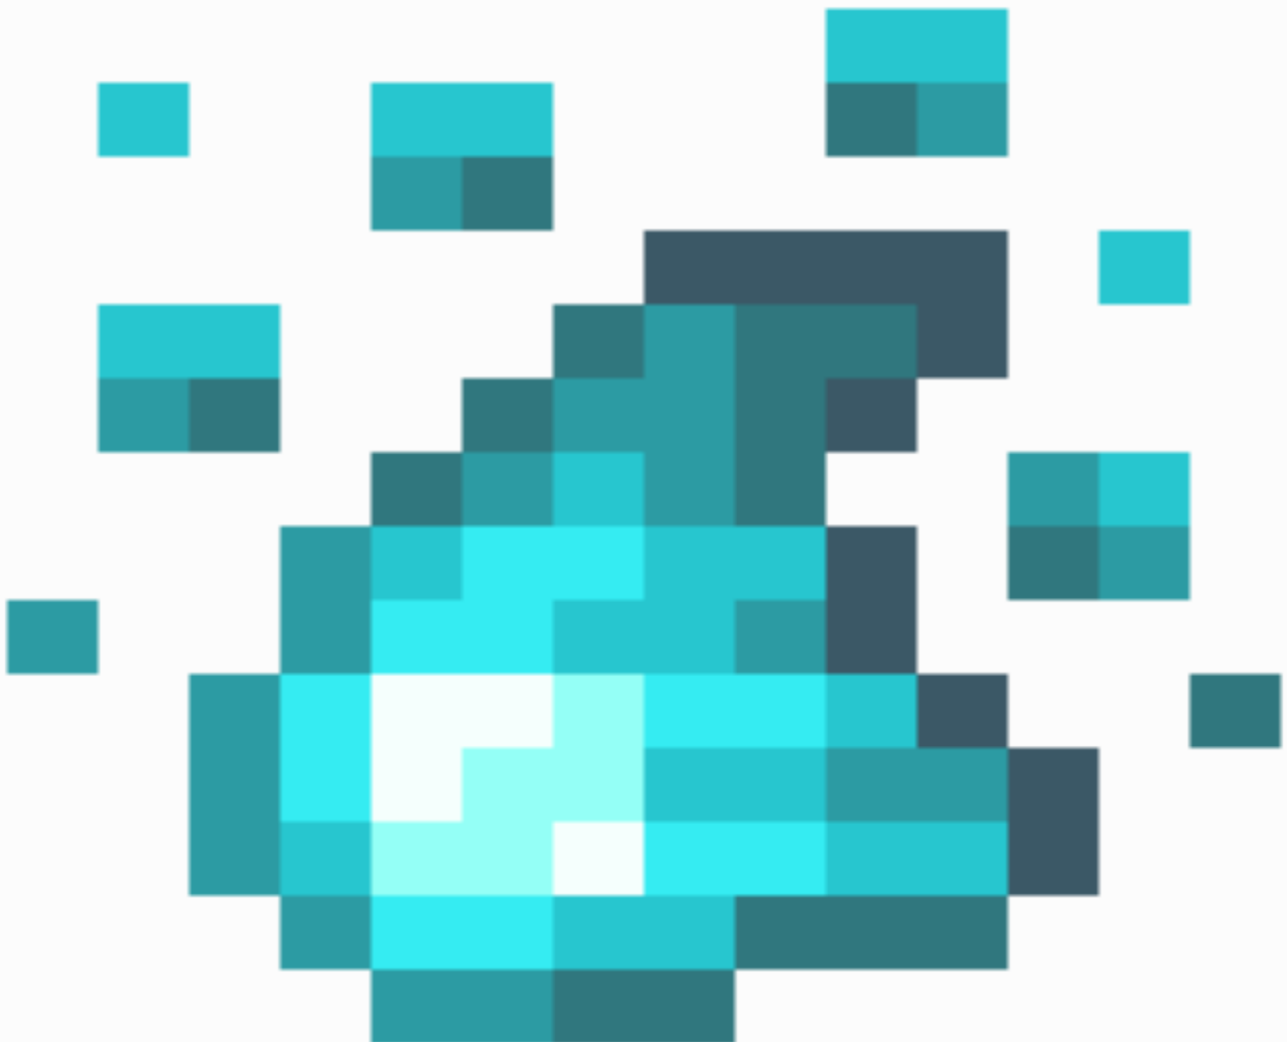

## [Texture Alpha]

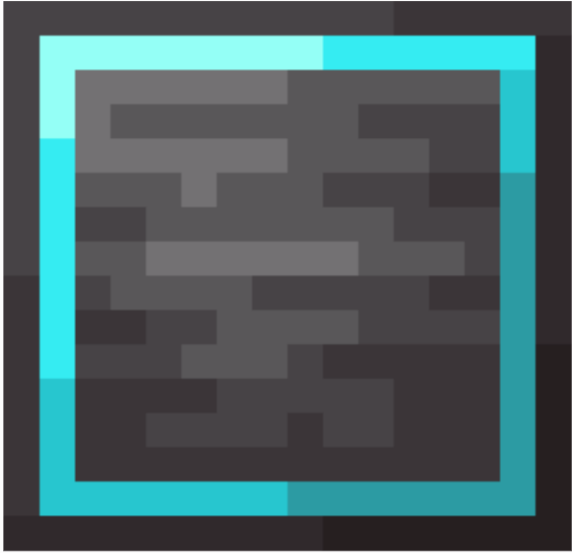

## [Texture Omega]

To create the items of this addon you need to create the Soul Fire Fragment

## •Soul Fire Netherite Block

## – Armor

Armor Charge:

If you have full armor on, there is a chance that when you get hit it will generate a fire radius around you and execute an animation

## • Helmet

Protection: 4

**Durability: 800**

- **Chestplate**

**Protection: 8**

**Durability: 1000**

- Legging

Protection: 5

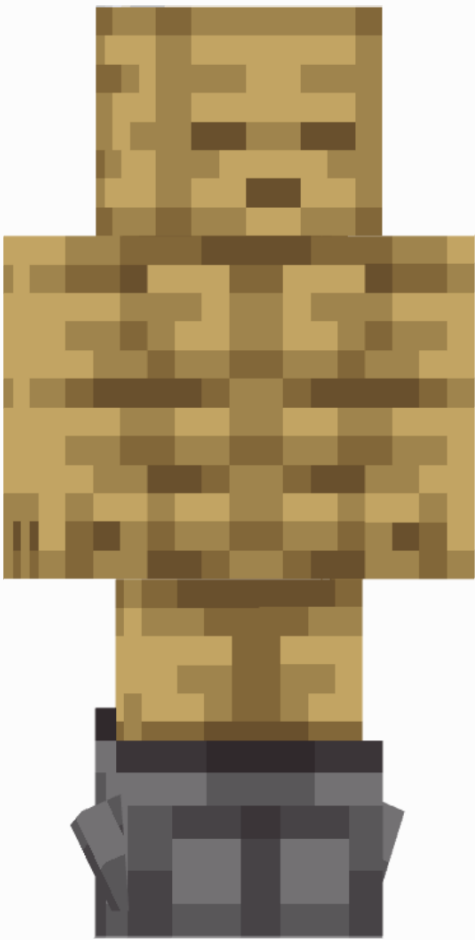

Durability: 900

- Boots

Protection: 3

Durability: 700

## – Tools

- Sword

Damage: 10

Durability: 2500

Hitting an entity with this tool will cause it to burn

**Sword Power:** Every 12 seconds you can launch a burst of blue fire that burns entities and deals damage

- **Axe**

Damage: 7

Durability: 2250

Hitting an entity with this tool will cause it to burn

Axe Power: Every 30 seconds you can do 5 block area damage that can damage entities

- **Pickaxe**

**Damage: 5**

**Durability: 2000**

**Hitting an entity with this tool will cause it to burn**

# **Warning**

This addon contains functions (These functions are the ones that attack with animations) that modify the `player.entity` which could generate incompatibility with other add-ons, If you want to play with this addon without the risk of incompatibility you can try the addon in its 2 versions Alpha and Omega without the animation functions and without modifying the `player.entity`
